DECLARATION FOR REISSUE APPLICATION

by Joint Inventors

I, an inventor in U.S. Patent No. 5,783,083, issued July 21, 1998 declare

5 that the original patent is wholly or partly inoperative or invalid by reason of a defective specification of drawing, or by reason of my claiming more or less than I had the right to claim in the patent, because the claims issued were directed to the commercial mode of the invention and those claims were not directed to the broader invention disclosed in the original patent, which broader invention I had a right to claim;

10 that all errors being corrected in the reissue application up to the time of filing of the oath or declaration under 37 C.F.R. 1.175 arose without any deceptive intention on my part;

that the claims submitted in the reissue application were not submitted earlier through error and without deceptive intent, and the claims submitted in the Amendment filed herewith were not submitted earlier through error and without deceptive intent;

15 that regarding the errors identified above, and also regarding the additional claims submitted in the Amendment, every such error and said changes occurred without any deceptive intention on the part of the applicants;

20 I hereby appoint Alfred D. Lobo a member of the Bar of the State of Ohio, and a Registered Patent Attorney, Reg. No. 24,109, with offices at LOBO & CO., L.P.A., 933 The Leader Building, 526 Superior Avenue, Cleveland, Ohio 44114-1401, to prosecute this reissue application and to transact all business in the Patent and Trademark Office in connection therewith.

Address all correspondence to Alfred D. Lobo, using the address given herein.
Address all telephone calls to him at telephone number 216-566-1661.

25 The undersigned declarant declares further that all statements made herein of his own knowledge are true, and that all statements made on information and belief are believed to be true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false
30 statements may jeopardize the validity of the application or any patent issuing thereon, or any patent to which this declaration is directed.
